

# **RSHM – 2007 General Chapter**

**Impelled by the fire of Gailhac's  
Vision, we are called to weave  
new dimensions of our  
Spirituality**

**SO THAT ALL MAY HAVE LIFE**

**Jo. 10, 10**

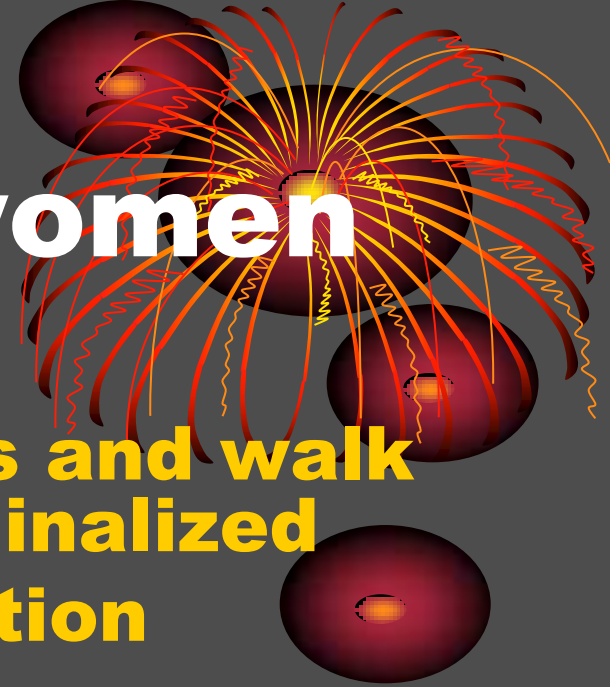

# **This will open ourselves to a more complete consciousness of ourselves:**

- **on a fair relationship with the others**
- **with our world**
- **with the Universe**
- **with God**
- **Living differences as a meeting place where grace can flourish.**

# **We want to be women**

- **That hear the silent voices and walk side by side with the marginalized**
- **In order to make globalization appear from the basis**
- **We hope to help creating an alternative to the culture of domination**
- **Defining community as an eruption of compassion and solidarity.**

# **We want to understand more and profoundly:**

- **the interconnection in the creation**
- **the discoveries about the universe and cosmos evolution**
- **How to transcend personal, provincial and national boundaries for the cause of global solidarity and harmony with the Universe.**

# **Growing in global consciousness**

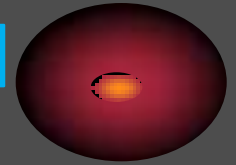

- **We are called to network (JPIC-NGO in UN/ FASCM/ SCHOOLS NETWORK)**
- **We are affected by tragedies that touch tragically LIFE all over the world:**
  - **migration,**
  - **Human traffic,**
  - **Climatic changes,**
  - **Violence... among others...**

# **We believe that:**

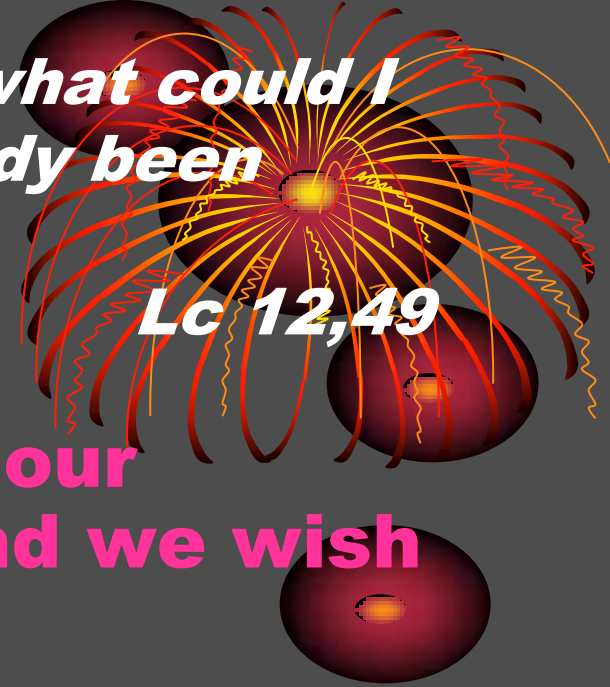

- **Our CHARISMA and SHM MISSION evoke us today and send us**
- **To make known God of Love and Justice**
- **Holding global community's needs**

***“I came to set fire to earth and what could I wish apart from that it has already been set?”***

***Lc 12,49***

- We value the support that our collaborators had given and we wish to go on this joint walk.**
- Passion for Jesus Christ, for humanity and for the totality of the creation impells us**
- We wish to be weavers of hope and life for all, just like Pe. Jean Gailhac, Mère Saint Jean and the sisters that had founded the Institute.**

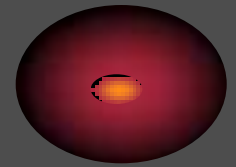

- **Como define a Missão das RSCM?**
- **How do you define RSHM Mission?**
- **Como procuram viver e transmitir o Espírito e a Missão das RSCM na Comunidade Educativa em que exercem a profissão?**
- **How do you try to live and transmit RSHM Spirit and Mission in the Community where you live/work?**
- **Enquanto grupo de colaboradores leigas e leigos, como podem garantir a continuidade da Missão das RSCM?**
- **As laymen and laywomen collaborators, how can you guarantee the continuity of RSHM Mission?**

- **The best educator:**
- **Uses challenge as fuel.**
- **Doesn't give up easily. Stimulates others to always restart**
- **Sees the invisible; has a look that goes beyond and is multifocal**
- **Hugs even when everyone rejects you.**
- **Doesn't look for his/her own brightness; makes himself /herself small to make his/her children, students and colleagues great.**
- **Helps looking for treasures in people's hearts.**

- **The best educator:**
- **Cheers up when everyone condemns and applauds the ones that have never gone up the podium.**
- **Observes details and makes them inspiration to reinvent life.**
- **Goes up to the clouds to look up for the dream, but never takes his/her feet from reality.**
- **Tries to make his/her behavior the best apprenticeship he/she can transmit.**
- **Travels on the other's world without possessing him ever.**
- **Remembers the past – observes the present – builds up the future.**
